

UNIVERSITÀ DI PISA

Staff management

Director: Dr. Ascenzo Farenti

Call for the selection of no. 1 short-term Research Associate position:

The University of Pisa announces the public selection for the assignment of n. 1 research activities grant (hereinafter referred as Research Grants):

“CONTWARE "Continuous QoS-compliant Management of Software Applications over the Cloud-IoT Continuum”

at the **Department of Computer Science**

Scientific Sector: INF/01 - Informatics

Contract duration: 12 months

Gross annual salary: € 30.000,00

Admission requirements:

a) PhD qualification awarded within 10 years from the Master's degree and within 5 years from the application submission deadline for this selection procedure;

b) availability to carry out an experience of study/research abroad for a minimum of nine (9) months up to a maximum of twelve (12) months, being aware that the failure to carry out the aforementioned minimum required period for any event attributable to the grant holder will lead to the grant revocation.

In the event the 9 months minimum duration is effected by the Covid-19 pandemic, justified amendments will be made to the procedures to perform the planned research activities, still in collaboration with the selected foreign partners.

Applications:

Applications are to be submitted online only, using the following link: <https://pica.cineca.it/unipi/>

or shall be invalid. It is necessary to have an email address to login and complete the application.

Applicants should fill in all the required data and upload all documents in PDF format.

The system allows saving a draft of the application within the application deadline. The system will register the online application date and send a receipt with an automatic e-mail reply. After the deadline, the system will not allow login nor application submission.

To be valid, application shall include all the required data, applicant's signature and the copy of a valid ID.

Each application will be assigned a tracking number to be cited in all subsequent communications, together with the selection code provided by the application form.

Applicants undertake to communicate in writing any variations of what declared in the application form.

The communication shall be edited in PDF format, signed and forwarded to the University of Pisa Rector via the Italian certified e-mail system address (P.E.C. Posta Elettronica Certificata): protocollo@pec.unipi.it or via e-mail at: concorsi_assegni@unipi.it , by the deadline for submitting the application.

Applicant's valid identification document shall be annexed. For further information on application submission, please refer to concorsi_assegni@unipi.it

For any IT malfunctioning please refer to unipi@cineca.it .

Applications shall be completed with the following annexes:

1. A self-attested Curriculum of the personal didactics, teaching and scientific activities, dated and signed;
2. The qualifications applicant considers eligible for this selection;
3. The Publications applicant considers eligible for this selection;
4. A list of Publications and qualifications, dated and signed;
5. A copy of the fiscal code (if applicable) and identification card/passport;

A declaration of availability to carry out an experience of study/research abroad for a minimum of nine (9) months up to a maximum of twelve (12) months, should also be attached (Annex A).

All publications should not exceed 30 megabyte and are to be submitted in PDF format only, using the specific section of the application form.

If the file produced exceeds that size, it is possible to forward it by PEC (the Italian certified e-mail system address) to protocollo@pec.unipi.it with reference to the application.

Publications must be uploaded.

Selection procedure:

For each selection procedure, the Director of the Department concerned will appoint a Committee, consisting of three members.

The selection is assessed by qualifications and possible interview.

The total rating allowed is 100/100. Academic qualifications and publications will be assigned up to 90 points. The interview will be assigned up to 10 points, with a minimum passing rate of 6/10. The ranking list will be compiled considering both ratings.

The Committee might resolve to interview candidates in the event the qualifications and publications assessment doesn't result in an exhaustive outcome.

The possible interview, related to the research program, will be held "in-presence" on 21st December 2020 at 10.00 am in Pisa.

During the two days before the interview's date, candidates are requested to check the relevant page on the University website <https://www.unipi.it/ateneo/bandi/assegni/2020/index.htm>

in order to verify:

- whether the committee resolved on the interview: all instructions for the "in-presence" interview in accordance with the Safety Protocol against Covid-19 Spread. Guidelines for "in-presence" Selection

Procedures, along with the specific location where the interview will take place and/or further information about the possible postponement of the interview's date;

- whether the committee resolved not to carry out the interview: the related explanatory statement.

Candidates living abroad, and therefore unable to attend the interview at the University of Pisa, will be allowed to be interviewed via web or conference call, prior to applicant's identification by approved international universities or research centers and upon Selection Committee approval. The Selection committee is appointed to establish the duly examination of the candidates and shall acquire each candidate's copy of an identity card or passport.
