For

Choose the Master's Degree Programme you prefer

You can check the list of open calls

List of courses

In order to apply for a Bachelor's or a MSC's degree programme you must have a secondary school qualification (for a Bachelor's degree programme) or a Bachelor's degree (for a MSC's degree programme) and relevant academic requirements for your chosen degree course. Each Master's programme listed below last two years (120 ECTS). Please choose below the master program you want to apply for.

Remember that to obtain a bachelor's degree (lasting 3 years) you must achieve 180 CFU and to achieve a MSC's degree (lasting 2 years) you must achieve 120 CFU. At the end of the Bachelor's and MSC's degree programme you must sit an exam called a "tesi"

If you have not entered you access details the portal will automatically return to the Homepage.
